Dear Maserati Enthusiast:

The Maserati Club is pleased to extend this invitation for membership. We are interested not only in Maserati cars, but also in the Italian lifestyle they represent and we would be honored to welcome you as a member.

The Maserati Club has 5 Chapters in North America and 4 more internationally spread over more than 6 nations worldwide. Our club offers a great opportunity to make friends with others who share your interest in Maserati. While your local chapter may be regional our network for friendships, information, parts and service is worldwide.

TMC members come from all walks of life and while the cars are certainly important, equally important is the interaction and enjoyment of each other's company. You can rest assured—this is NOT a stuffy group! Our club is also interesting because in addition to "regular folks" we are proud to have several famous race car drivers and automotive journalists as members. Once you join you may recognize a few familiar names such as: Carroll Shelby, Stirling Moss, Phil Hill, and Dan Gurney!

TMC is an active club that sponsors over 40 events each year worldwide. These include car shows, food and wine events, charitable functions, and luxury driving events. In 1997 TMC initiated the first international MASER MIGLIA.

In addition to the events, our club publishes the following:

- ★ **TMC Calendar** our multi-award winning annual wall calendar.
- ★ **TheMaseratiClub.com** our club website (planned revision this year)

Together we have united to serve you, the Maserati enthusiast. Upon joining you'll also receive a car window sticker and our national parts & service directory listing every Maserati vendor we know of. Although anyone can join any chapter to become a member we suggest joining the TMC chapter geographically nearest you as you will receive local announcements regarding area events in addition to our publications and website access. To join TMC please complete the enclosed application. We look forward to your membership and the opportunity to welcome you to our club. We invite you to join us in the celebration of the world's most unique marque.

Sincerely,

Ken West
